

For Thank You Thursday this week, and in honor of Memorial Day, let us remember with gratitude all those who have been on the frontlines of military battles and died in service to our country. We are also grateful to the many veterans working within UFCOM and throughout UF Health, who share their gifts and talents to make our organization stronger every day!

In addition, let us continue to be grateful to those who are serving on the frontlines of the healthcare system in the ongoing battle against COVID-19. *(Thanks to Dr. Mariam Rahmani for sharing this poem by Dr. Louito Edje):*

Your Bravery With the Unseen

Louito Edje, MD, MHPE, FAAFP

Thank you for your bravery

Each time you badge-in, unsure of the unseen.

Each time you intubate, unsure of the unseen.

Each time you walk into a room, unsure of the unseen.

Thank you for your bravery

Each time.

Your bravery is seen.
